
About Rider University Men's Soccer

The men's soccer program has turned the corner in its trek of building a tradition of excellence. Head Coach Charlie Inverso and the Rider Broncs completed the 2015 and 2016 season winning the MAAC Championship earning two consecutive NCAA bids. In the 2015 season the Broncs notched the program's most wins since 1997 having 4 players select to all MAAC 1st team. Inverso, the 2015 regional D1 Coach of the Year has brought a wealth of experience to the Rider men's soccer program. He produced teams ranked among the best in the country at Mercer County Community College for 24 years where he compiled a 434-46-14 record prior to joining Rider. Under Inverso's leadership, Mercer won 5 National Championships starting in 1988 and again in 1991, 1995, 1996, and 2004. During his 24-year tenure at the helm of the MCCC program, Inverso's former players have enjoyed impressive success. Over 40 former players have become college or high school coaches and 16 former players have played professionally.

True to this new tradition of excellence, Rider University is offering the opportunity to all area high school players to take advantage of a high school ID Clinic, run by Coach Charlie Inverso and his impressive coaching staff that includes:
